

This map depicts the known freshwater distribution of steelhead salmon (*Oncorhynchus mykiss*) for Water Resource Inventory Area (WRIA) 9. The depicted limits of known freshwater distribution of steelhead salmon are based upon the collective personal knowledge of participants in the WRIA 9 mapping project and data they gathered from published and unpublished databases.

The information depicted on this map is current as of May 2000. This map may be revised at any time. Although the WRIA 9 Technical Committee intends to revise this map on an annual basis, the WRIA 9 Technical Committee cannot and does not guarantee that this map will be revised on an annual basis or at any other interval.

There are not express or implied warranties for this map, the information it depicts, the data on which it is based, or any service furnished herein. There is no warranty of merchantability for this map's accuracy or its depiction of steelhead salmon distribution or water body location. This map is not warranted as fit for a particular purpose.
